CUT THE FRAPPE

You'll find no hidden nasties in our food and drinks here. Instead of additive filled powders we only use wholesome, natural ingredients to make things that not only taste good but do you good too.

That means using seasonal strawberries in our strawberry shake and Yeo Valley organic milk and avocado in your iced coffee (for extra velvety texture).

Get a dose of your five-a-day with our nutritious and simply blended raw veg smoothies. Enjoy antioxidising little chia seeds for your breakfast in The Green One, whilst the health boosting Carrot & Turmeric has a dash of 100% pure maple syrup for a hint of natural sweetness that's (almost) guilt free.

Nothing artificial, only great-tasting honest ingredients. Delicious and natural. Double win.

Ask any of the team about our ingredients, we'd love to tell you about them and where they come from.
