COFFEE & TEA

Let's talk coffee. Ours comes from Extract Coffee Roasters, who create a House Blend just for us (bringing forward fruity notes & biscuit malts, with a base note of chocolate). Think sustainably grown coffee from coffee farmers they return to year in, year out, all while working with local and community projects. If that's not top-notch coffee, we don't know what is.

We use organic whole milk as standard in all our coffees.
Please ask for non dairy alternatives, we won't charge you extra.

FOOD THAT MAKES YOU FEEL GOOD

All our meat is free-range, and our eggs too, thanks to our superstar suppliers like Packington Free Range. Coffee is roasted by Extract Coffee Roasters.

Our organic milk is supplied by Chew Valley Dairy, unless it's oat... that'll be from Minor Figures (and you won't be charged extra for it).

Our bread is baked overnight by Hobbs House Bakery.

We showed disposable coffee cups the door in 2018, saving 1 million cups (and counting) from landfill. Choose to Reuse – bring, buy, borrow an Ecoffee cup, and we'll donate 10p to our Boston Foundation, which provides workplace experience and opportunity to young adults in our local communities.
