Let's talk coffee. Ours comes from Extract Coffee Roasters, who create a House Blend just for us (bringing forward fruity notes & biscuit malts, with a base note of chocolate). Think sustainably grown coffee from coffee farmers they return to year in, year out, all while working with local and community projects.

★ Small/large also available, please ask when you order. We use Chew Valley Dairy whole milk as standard in all our coffees. Please ask for non dairy alternatives, we won't charge you extra.

## FOOD THAT MAKES YOU FEEL GOOD

All our meat is outdoor-bred and reared, our beef grass-fed right here in the West Country. And of course our eggs are free range. Our milk is supplied by Chew Valley Dairy, unless it's oat... that'll be from Minor Figures (and you won't be charged extra for it). Our bread is baked overnight by Hobbs House Bakery.

We take coffee seriously. Our house blend is roasted in Bristol by Extract Coffee Roasters, on their Probat roasters Betty & Bertha.

Taking away? Bring, buy or borrow a reusable cup.

## THE BOSTON FOUNDATION

Every takeaway drink you buy helps fund the Boston Foundation, our way of opening doors for young people from difficult backgrounds in the communities we're here to serve.

We donate 10p from every takeaway drink to support programmes that build confidence, teach real-world hospitality skills, and show young people what's possible. Since 2021, we've supported hundreds of young people through skills days, mentoring, and real work experience in our cafes.

Because it's never just about coffee. It's about people, purpose and Making Things Better, one cup at a time.
