COFFEE & TEA

Let's talk coffee. Ours comes from Extract Coffee Roasters, who create a House Blend just for us (bringing forward fruity notes & biscuit malts, with a base note of chocolate). Think sustainably grown coffee from coffee farmers they return to year in, year out, all while working with local and community projects. If that's not top-notch coffee, we don't know what is.

FOOD THAT MAKES YOU FEEL GOOD

All our meat is free-range, and our eggs too, thanks to our superstar suppliers like Packington Free Range.

Our milk is supplied by Chew Valley Dairy, unless it's oat... that'll be from Minor Figures (and you won't be charged extra for it).

Our bread is baked overnight by Hobbs House Bakery.

We take coffee seriously. It's roasted in Bristol by Extract Coffee Roasters, on their Probat Roasters Betty & Bertha. Plus, 10p from every hot drink goes to our Boston Foundation, which provides workplace experience and opportunity to young adults in our local communities.

Taking away? Bring, buy or borrow a resuable cup.
